

MOTION BY SUPERVISOR YVONNE B. BURKE

August 9, 2005

A crisis in county schools exists, with over 20 high schools experiencing serious tensions or inter-group violence on their campuses in school year 2004-2005.

The County Human Relations Commission, The L.A. County Office of Education and several state and national associations for educators will co-sponsor a first-ever conference on September 17, 2005 from 8:30 a.m. to 1 p.m. for school administrators on effective ways to respond to growing tensions on school campuses and to offer practical peer-to-peer guidance on dealing with school community crisis due to inter-group violence.

It is desirable to have the broadest possible participation in this event from all school districts in the county, and it is essential to keep the cost as low as possible:

I, THEREFORE MOVE THAT:

The Board of Supervisors directs the Internal Services Department to waive parking fees at the Music Center parking Lot #14 for 100 cars at a cost of \$8 per car for a total of \$800 for participants of the Los Angeles County Administrator Conference 2005 to be held on Saturday, September 17, 2005 from 8:30 AM to 1:00 P.M. at the Disney Concert Hall.
